

PORT-A-MASTM Solutions

H-D TRUCK-MASTTM

If you need a 35 ft. portable mast for remote traffic sensing, surveillance or communications, you'll always travel with the Heavy Duty Truck-Mast.

Easy Use, Easy Access

Operates up to 35' on most vans, trucks, and SUVs with no obstruction of the tailgate.

Suggested Applications:

- Remote traffic sensing
- Non-intrusive counting and classification of traffic
- Video detection or surveillance
- Antennas for communications

Includes:

stabilizing jacks and electrical controlled actuator
